Hi Peter,

Thanks for your note. I referred your questions to others at EPA and hope that the Agency will be able to provide some information.

Best,

Subject: budget request

Jeanne,

Hope you are well. I'm wondering if you have time to have a quick call to discuss the Administration's budget request for \$45 million related to hydraulic fracturing. I know you're busy, so I wouldn't want to take much time; mostly want to better understand what the request anticipates.

Thanks.

Peter
